MEAT 'N' GREET

"Think we can share that big cock?" asked Kelsie. My girlfriend, Abbie laughed. "Yeah, I think there's enough of it to go around." She moved to the side, running her tongue along my shaft as she made room for her friend.

I put a hand on the back of each head and told them to look up at me. I wanted to see those tongues moving in unison along my cock. As they moved to the tip, they hovered, pink tongues playing a millimeter away from each other. "Let me see you kiss over the head of my cock," I directed, and they complied enthusiastically. My mind reeled with the possibilities, seeing how eager they were to do anything slutty and new.

My girlfriend moved down to my balls as her playmate put her mouth over my head and sucked gently, pulling my fleshy tip between her moist lips. My hand was still on Kelsie's head and I guided her down to take all of my cock into her mouth. She tried like a champ, but gagged a little when my helmet bounced against the back of her throat. The tightening of her throat around my dick was fucking amazing and I was relieved as hell when she didn't stop trying just because of that minor setback. She kept on piston-ing her head down on my cock—sucking, drooling, and every few strokes—gagging again.

Kelsie looked up to my face as if to see if I was enjoying myself. Her eyes were big and her chin and lips were wet as her hand pumped me near her mouth. I wanted to shoot my load on that beautiful face as she looked up at me, starving for my cock. I remembered the kiss from just a few minutes earlier and I was struck with a lewd idea that

threatened to make me blow too soon. I wanted to see Abbie lick my cum from her lips.

"Abbie, get up here," I ordered. My girlfriend's face appeared next to her friend's in a second. I pumped my cock between their sweet faces as they each looked up expectantly. I fist-ed my ready cock all of four times and on the fifth, the splooge flew. The first shot went way

past its mark—leaving a broken line of cum streaked from Kelsie's cheek to her hair. The second and third landed closer to their mark, and the last jets were all for their plump, pink lips.

Before I had to tell Abbie what to do, my perfect slut of a girlfriend had her mouth on

Sal and Evan work together as a pickup team. They don't look for two chicks to hook up with, but rather for solo babes who want to fulfill long-nurtured fantasies of being the femme filling in a two-guy sandwich.

Elizabeth was a good example. She liked how the boys focused on making sure her needs were met, from ordering her drinks at the bar, to taking her for a midnight steak sandwich at a new "in" spot, to finally coming over to her house for a Sunday brunch that moved from mimosas to muff-diving. She felt a little embarrassed about how she kept getting the guys confused in her mind, so she didn't call them by name; but she knew how the clean-shaven guy really was good at licking her pussy, especially when he held her upside down so she could suck his buddy's dick at the same time while she jacked off Mr. Muff-Muncher, making her feel not only wonderfully slutty, but also acrobatic and versatile!

Getting fucked in her mouth and pussy simultaneously is a pretty intense thing for a woman to think about, much less do. But it turned out to be marvelous to actually having one cock cram her pussy while she slurped over another, and to be aloft like some kind of sexual circus performer while she satisfied their cocks at the same time with both ends of her body...yes, that was one memory she would always treasure and pleasure herself to! Since she never saw them again after that boner brunch, she would always say to herself as she touched her clit in fond recall, "Who were those Hung Strangers? I wanted to thank them!" ♦

A & E SIGNES ALEXIS FORD

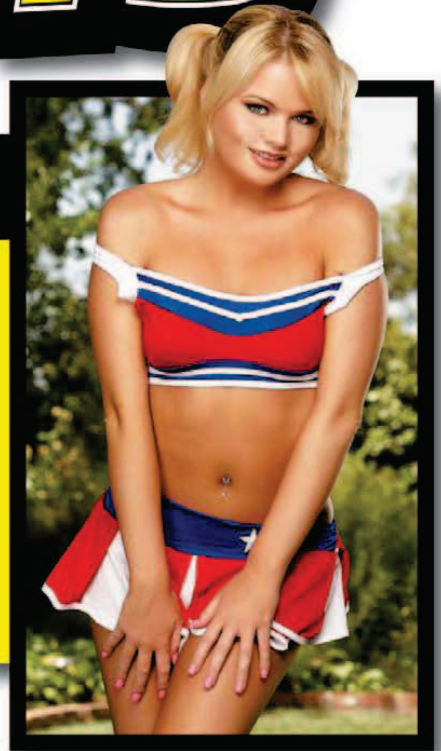

Adam & Eve added a third blonde to its stable, securing up-and-coming starlet, Alexis Ford, to an exclusive performing contract. The blonde beauty will be shooting her first boy/girl scenes with the company.

Alexis began her career as a feature dancer and men's magazine model; then began doing girl/girl work about six months before being snatched up by A&E, shooting only a handful of scenes before they took her off the market.

"We immediately saw contract star potential in Alexis," A&E Executive Producer Meredith Christopher, said. "And when we met her in person, we knew she would fit in perfectly with both Bree [Olson] and Kayden [Kross] and the Adam & Eve family."

The New York-based Alexis's boy/girl debut will come in *American Made: Alexis Ford*, which is set for a January 2010 release.

"I am so excited to sign with Adam & Eve," she said. "I only want to work with the best, and Adam & Eve definitely sets the standard in the industry."

THE NAKED AMBITION MOVIE

First there was the book: *Naked Ambition: An R-Rated Look at an X-Rated Industry*. Now celeb photographer, Michael Grecco, has taken the weighty book and turned it into a movie.

In the book, Grecco took porn stars and photographed them with a twist—he captured them *wearing* clothes. Now with the move, he's gone behind the scenes at the annual AVN Awards—the biggest and baddest of all adult awards shows. The movie had premieres in Los Angeles and New York. It features a backstage view of Sunny Lane, Joanna Angel, Nautica Thorn, Janine and several others during the industry's craziest weekend.

"The film is an 81-minute tour of the adult video awards," filmmaker, Michael Grecco, says. "It's a fun film, starring Sunny Lane and Joanna Angel—you follow them through the awards show. They were both up for 'Best New Starlet.'" For more information visit nakedambition.com.

DP INKS RAVEN, JANIE SUMMERS, McKENZIE LEE

Digital Playground has made three bold and beautiful moves recently, signing a trio of beauties to exclusive contracts. Raven Alexis, Janie Summers and former Club Jenna exclusive, McKenzie Lee—all joined the lineup that already included Jesse Jane, Stoya, Riley Steele and Katsuni.

First came the 20-year-old Janie, a blonde former cheerleader whose sultry 36B-26-36 body is easy to cheer for. Formerly known as Heather Starlet, she is a sports fan who favors doggie style over other positions.

Raven is brunette beauty who describes herself as a “sci-fi nerd.” She’s well known in Internet circles, thanks to her website. Hopefully the deal will only increase that fan base.

Next is McKenzie, who is making her return after a three-year break from the industry.

“In my movies, I always look to push the envelope and fulfill all of my sexual fantasies,” McKenzie said.

“Signing with Digital Playground has been one of those fantasies. I’ve always thought of myself as a gonzo girl, and they truly understand that gonzo can still look visually beautiful. They shoot crazy, hard sex that is higher quality than anything else.”

NS SIGNES AMY REID

With Sadie West back on the free market, the folks at New Sensations/Digital Sin decided to pick up another brunette beauty to work alongside Ashlynn Brooke—signing veteran performer, Amy Reid, to a deal.

24-year-old Amy will also produce her own movies for New Sensations with her own production company, Riedemption.

“I have been a fan since the beginning!” Amy said. “I have always wanted to produce my own movies and was waiting for the right opportunity to arise. I am so excited I have found that with them!”

Amy has appeared in several of the company’s features since 2005 and recently appeared in the blockbuster, *30 Rock – A XXX Parody*.

“This was so much fun to create because for the first time, I was able to give my fans an idea of who I really am,” Amy says of her producing debut.

“I do all kinds of daredevil activities with my sexy friends and just have a great time. Since my friends and I do all the crazy things before we get dirty, my adrenaline is going crazy which makes it so much more intense.”

NIGHT MOVES AWARDS

The 17th annual NightMoves Adult Entertainment Awards took place in Tampa, Florida, co-hosted by Ron Jeremy, Jessica Drake, Kaylani Lei, Alektra Blue and Teagan Presley.

The show includes winners that are voted by the fans, as well as the editors of *NightMoves* magazine, which focuses on gentlemen’s clubs. For ‘Best Female Performer,’ the fans picked Bree Olson, while the editors chose Jessica Drake. In the ‘Best New Starlet’ category, Jayden Jaymes was the fans’ choice, while Angelina Armani caught the editors’ eyes. ‘The Best Feature Dancer’ trophies went to Teagan (fans) and Jenna Haze (editors).

“I’m honored to have won the Editor’s Choice award for ‘Best Female Performer,’” Drake said, adding that she was also pleased that the editors awarded ‘Best Feature Production’ to *Fallen*, of which she had some roles.

EXOTIC EROTIC BALL

One of Adult Entertainment’s most prominent annual parties in fashion celebrated its 30th anniversary this year. The Exotic Erotic Ball—which was held at The Cow Palace Arena in San Francisco—featured two days of events, including Wine Tasting With Adult Stars, seminars, and the always highly anticipated costume ball.

Lisa Ann and Seymore Butts were on hand to meet fans, sign autographs and help judge the costume contest which sent ‘Ms. Exotic Erotic,’ ‘Mr. Exotic Erotic’ and ‘Best Costume’ winners home with \$10,000 apiece in cash and a slew of prizes, including an all expenses paid trips to Hedonism III.

“When they asked if I wanted to be a part of this, I couldn’t say yes fast enough,” Lisa Ann said. “Being on a judging panel with Seymore, Tila Tequila and Danny Bonaduce was fantastic. It was a really amazing show.”

her friend's, cleaning my juices from her. The girls took it from there, and soon enough, I was just a spectator to their games until I was ready to fuck all over again.

As I idly stroked my cock, watching them go down on each other, I questioned how we'd ever top this experience when my girlfriend raised her mouth from Kelsie's pussy and wondered aloud—"what do you supposed your friend Becky is doing tonight?"

BOOKENDS

I had to just stare and take a moment to marvel at my luck. I had two naked honeys before me, lying back to back on their sides with their legs drawn up to show their asses and plump-lipped slits. What a beautiful fucking sight. They were like hot, brunette bookends, the perfect decoration to keep my cock propped up. Even if they hadn't just gone down on me together, the sight of them, cheek to cheek like that, would have had my cock at full attention. As it was, I was so hard I thought I was likely to rupture something.

"I need some of that dick in me," moaned the one to my right. Now, what kind of man would I be if I rejected a woman in need?

With a prodding finger to test the pussy waters, I collected her juice to spread on my cock. Her outer lips were a little dry, but just inside she was a hot spring of cunt juice. She moaned as I slowly pushed into her, and her hand moved behind her to grab her friend's ass. As she squeezed, the other woman's ass opened, just enough to give me a flash of that ruddy, pink hole and the pussy next to it.

I reached out with my left hand, penetrating her with two fingers up to the second knuckle in a single dip. I had to turn my wrist to get the pads of my fingers to her G-spot, but as soon as I did, the effect was worth the effort. Within a few short minutes worth of my manipulating that twat, she pushed herself up on her elbow to look at me with heavy-lidded, lust filled eyes. "Share," was her single syllable plea to be fucked.

I continued to saw my cock in and out of her friend's pussy as I kept frigging her with my hand. "You want my cock in there?" I asked, pushing her to say it. "Tell me what you want."

She moved in rhythm to my fingers and panted as she asked more politely, "please, fuck me, please put your cock in my pussy. Give it to me deep and hard—my cunt is dripping for it." I don't know if it was the coarse

language or the desperate, aching tone in her voice that set off her friend, but suddenly, with a shuddering inhale, her pussy was baring down on my cock like a vice. It was all I could do to keep from cumming myself as her orgasm clenched at my cock.

The women clung to each other throughout the climax; arms crossed as each one reached for the other's ass. They kneaded, spread, moaned and writhed—and they looked hot as fucking hell doing it. By the time it was over, my cock was sluiced with girl cum. I gave her a lingering moment to savor the last of the ride before sliding my

cock from her pussy.

I smirked as I watched the next stop on my pussy tour. She was biting her lip, having waited anxiously as she watched and listened to the lustful cried of her friend and fingering her clit furiously—occasionally pushing her finger into her cunt along with my two thick digits already working her hole. I moved in front of her, pumping my wet cock. "You want this cock?" She moaned an enthusiastic "yes" as she arched toward my cock. I unplugged my fingers from her cunt

SEDUCTION OF THE NOT-SO-INNOCENT!

Alexis & Kagney

Were Born To Perform!

If you were going to order up a live show, you couldn't do better than Alexis and Kagney! These girls have been acting out girl/girl fantasies for the last year, and they are a mega hit on the XXX small screen. They like to perform little themes or stories, and sometimes they use costumes as well. For example, they'll dress up as two lady pirates who threaten to spirit away the groom to their ship and take him on a voyage of endless sex! What wife could compete with that? And what groom would want to be rescued? In the foxy feature, The Seduction of the Not-So-Innocent, simplicity reigns, not requiring a wardrobe of any kind, just two hot babes succumbing to each other's desires.

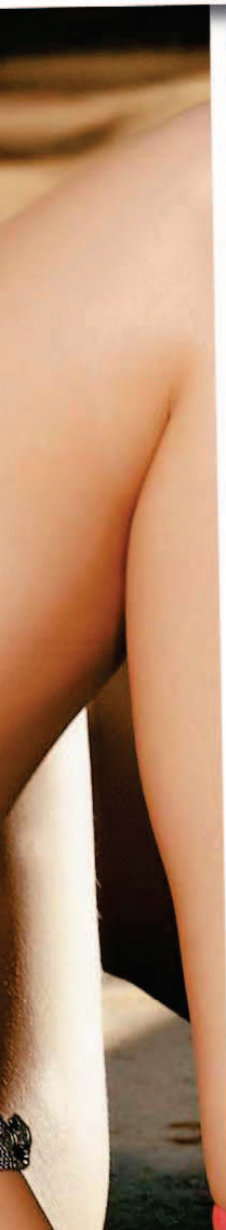

The lovely Alexis acts nervous about having a lesbian encounter with her more “worldly” best friend, Kagney. Alexis knows she wants the intimate taste of a female on her lips, but she has to be “coaxed” into the dirty deed. She’s not too sure if she’s ready to take the muff plunge, in what she describes in her girlish voice as “a gay act of lesbo sin!” In fact, Kagney is Alexis’ “straight man” in this semi-comic routine, which quickly becomes unbearably hot. For instance, Kagney is trying to calm Alexis’ nerves as she is slowly led, lick-by-lick, into an uninhibited encounter with moist feminine parts. “I can’t believe I’m licking your tushy, Kagney,” Alexis says, when she finally gets the courage to let her tongue find the most intimate part of a woman’s body—her asshole. Their audience loves it, and Alexis finally bursts out of her not-so-innocent shell and takes over the whole scene—sporting a shiny toy that she uses to fill Kagney’s mouth and pussy!

Now that’s what we call Entertainment!

THE GIFTED

STARRING: Alektra Blue, Kaylani Lei, Mikayla Mendez, Rachel Rxxxx, Alan Stafford, Barrett Blade, Rocco Reed
DIRECTED BY: Michael Raven
AVAILABLE FROM: Wicked Pictures

Through the vision of director Michael Raven, Alektra Blue and cast shine in this well-presented thriller that chronicles the life of Lucy (Alektra Blue)—a headstrong girl born with a supernatural gift. As the story unfolds, Alektra learns how to understand and use her paranormal talent through the help of her new mystical roommates: Kaylani Lei and Mikayla Mendez.

With an interesting storyline, Kaylani

Lei stands out from the pack by demonstrating a powerful sexual style, especially when coupled with Alan Stafford. In what is one of the hottest displays featured, Kaylani makes fucking look oh-so-good when churning out some sticky girl gloss in cowgirl position, and later in a downward facing dog.

The hardcore "initiation" between Kaylani, Mikayla Mendez and Alektra Blue is also quite exceptional. It isn't shy to include plenty of clit chugging and pussy probing to satiate the hardcore lesbian enthusiasts, and is certainly worthy of mentioning here as a shiny movie moment.

Alektra also stands strong in two

scenes of her own when she mixes middles with Rocco Reed and Barrett Blade. Although her romp with both is hot, her connection with Rocco seems to be more solid and bone inducing. However, Barrett fares off much better when paired with Rachel Rxxxx in a scene that turns out to be surprisingly wicked. ★★★★★

EXTRAS: Save some seed for the bonus scene, which stars Alektra Blue and Voodoo. Afterwards, you can wind down by watching clips of the funny behind the scenes antics, the awesome photo gallery spread and loads more adult fun. ★★★★★

HANNA'S HOUSE

STARRING: Hanna Hilton, Meggan Mallone, Alyssa Hall, Rayveness, Rocco Reed, Chris Johnson, David Loso
DIRECTED BY: B. Skow
AVAILABLE FROM: Vivid Entertainment

Although the movie says we are all welcomed at Hanna's House, is it really worth entering? What lies inside is mediocre sex that is not memorable or unique when compared with other Hanna movies or productions by B. Skow. Despite Hanna's humongous set of natural tits, this production ironically falls flat!

Well, the scene that stars Hanna and Chris Johnson is better than most. Here, her boobs are on display in reverse cowgirl

position, which should help keep the blood flowing. Their lustful grind session in missionary is also quite nice, but seems to lack a bit of oomph that would help solidify their connection.

The show really begins to transition into high gear when Chris switches his attention to Meggan Mallone. Together they bump like bunnies and exude a genuine lust for one another that translates to the envious viewers. It's the best that this movie has to offer, but still leaves much to be desired.

Hanna also has a go with Rocco Reed. And although their sex is entertaining, so is watching a bag of popcorn rise on a stovetop. Sadly, it doesn't get much better when Rocco later fucks Rayveness in what

turns out to be a MILF meltdown that is pedestrian at best.

Additionally, Alyssa Hall can be found sprinkled somewhere in the middle, although that information is neither here nor there.

EXTRAS: Forget about the feature presentation. Instead, switch your attention to the sea of horny extras that are much hotter! Although there is a decent photo gallery spread, a favorite positions room and BTS fun for Hanna's House—the real work of art comes from the five extra scenes of previously released movies that star hotties like Monique Alexander, Nikki Jayne, and Hanna Hilton. Sadly, in this case, it's all about the extras!

AVAILABLE FROM: Lesbian Provocateur

A new crop of European lovelies has been assembled to form seven hardcore scenes, in what becomes great must-see-TV for girl on girl enthusiasts.

Although each of the scenes has enough merit to stand on its own, there are a few lesbian connections that really stand out as being superior to the rest. The scene that stars cover girls, Esmeralda and

Bianca Golden is a shining example of what sensual lesbian sex can aspire to when done correctly. Together they dominate the screen with plenty of tongue kisses and ass licking, which naturally makes way for a solid clit-to-clit connection that is sheer poetry in motion.

Bottle service has never looked so good as when given to Leanna Sweet and Carla Cox during their incredibly sexy play session. Instead of drinking the expensive bottle of champagne, these naughty nymphs decide to plug each other's pussies and assholes with it until their holes start to bubble over with the festive fizz. Hot!

Sandy and Jasmine Black are two more ladies that are extensively easy on

the eyes and good for the circulation. When coupled up, they epitomize the glamour that rightfully buzzes around hot lipstick lesbians. Although beautiful, the hardcore sex between the two is anything but sweet.

The additional four scenes are equally as hot, which makes this a movie worthy of being kept in constant rotation. ★★★★★

EXTRAS: The so-so array of extras that are shown here include: a rather good photo gallery spread, and some trailers for upcoming attractions. Other than that, the extras are a waste of time and would be better off by giving the feature presentation a well-deserved encore performance. ★

JENNA HAZE NYMPHOMANIAC

STARRING: Jenna Haze, Kristina Rose, Roxy Jezel, Tori Black, Harmony, Tony DeSergio, Mick Blue, Marco Banderas, John Strong, Mr. Pete, Toni Ribas

DIRECTED BY: Gazzman

AVAILABLE FROM: Harmony Films

It goes without question that porn star, Jenna Haze, is a sexual anomaly. Along the way she's helped to slash the blonde hair/big boob stereotype and has earned every top award, including the coveted title of Performer of the Year for 2009. With such esteemed accolades, director, Gazzman, has made her the main attraction for their series that chronicles

the lives of nymphomaniacs by having a bevy of top performers describe—or rather act out—Jenna's illustrious sexual style.

With incredible tease sessions that begin each sequence, Kimberly Kane barrels out first by hypnotizing the viewer with her sensual style and luxurious fur shrug. Our infatuation is later actualized the moment she takes Tony DeSergio up the ass, for what is clearly her hardest anal pounding to date.

Kristina Rose also gets a cock up her back hole when Tony DeSergio excavates a path through her butt. As can be expected, Kristina turns her scene out and makes anal sex look so effortless in the process.

Roxy Jezel and Tori Black later make

solid showings in their respective scenes, although it's Harmony who gives Jenna Haze a run for her money by mastering three cocks at once.

But alas, Jenna is the queen bee in this production and proves it with a stellar performance that matches her up against Toni Ribas and Mr. Pete. Brilliant!

★★★★★

EXTRAS: Although the movie is hot, the extras are only lukewarm. Included is a cumshot recap option, a solid array of production stills and more trailers for hot action to come. What's in store in the extras cannot really be classified as nymphomaniac inducing... clearly that's Jenna's job!

SMOKIN' HOT BRUNETTES VOL. 1

STARRING: Spyder Jonez, Audrey Bitoni, Stephanie Cane, Faith Leon, Savannah Stern, Jennifer Dark

DIRECTED BY: Spyder Jonez

AVAILABLE FROM: Iron Cross

As if we didn't already know this, Spyder Jonez is one of the luckiest fuckers on the planet! Aside from his rock star roots of Biohazard fame, his once marriage to porn legend, Tera Patrick (the couple announced their split on September 30, 2009) and his thriving porn companies, Spyder has the privilege of dipping his dong into porn princesses and selecting the very best girls for his productions.

This movie—solely on brunettes—is no exception. It puts Spyder up against five hot babes and isn't shy to include plenty of gritty sex to spice things up. Although worthy of watching, by the third scene we can't help but long for another dick—besides Spyder's—to do damage to the girls. Jealousy? Perhaps.

In the best act of the movie, Spyder is perfectly matched up to Jennifer Dark. She demonstrates superior cock riding and sucking skills and isn't shy about revealing her gaping holes to the camera, which makes for great action!

Audrey Bitoni is another girl who delivers the goods when Spyder tears into her with

rabid force, until her chocolate brown eyes begin to tear up. The contrast of the stark white room against their tanned skin also makes for solid visual impact, but not as seismic as the sexual shockwaves that happen when Stephanie Cane begs for more.

The inclusion of Faith Leon and Savannah Stern is also quite delicious, although they feel more like appetizers rather than main entrees.

★★★

EXTRAS: There's a photo gallery section that is quite nice, pertinent web information and trailers for more movies. Other than that, there's nothing more than the bare bones minimum, which renders the extras a passé afterthought.

★★

TORI BLACK IS PRETTY FILTHY

STARRING: Tori Black, Kristina Rose, Rebeca Linares, Marie Luv, Manuel Ferrara, Mark Ashley, Ice Cold, Mick Blue, James Deen

DIRECTED BY: Mason

AVAILABLE FROM: Elegant Angel

Tori Black confirms her sexual weight in gold in this movie directed by Mason. Here, Tori's beauty is celebrated from head to toe while platforming her insatiable penchant for hardcore sex. Through five incredible scenes, Tori is put up against industry heavyweights, her asshole being handed over to Manuel Ferrara in what is her first non-POV anal scene!

Aside from ample tease sessions, Tori is

in top form when she is joined by Rebeca Linares and Mark Ashley for a wet n' wild 3-way session. With plenty of oral action divvied out between the two, and scads of sexual positions, each girl fuck their hearts out and we love it!

The same sentiment can be said for the incredible session that makes Tori the meat in Kristina Rose and Manuel Ferrara's love sandwich. In what is an award-worthy sequence, these two get their asses nailed to the wall when Manuel makes them earn his load. And boy, do they!

One of the most memorable scenes happens when Tori takes on Marie Luv and Ice Cold for an interracial love session that truly demonstrates her filthy range. Although stel-

lar, the real piece de resistance of this production is when Tori's asshole gets turned inside out when Manuel goes knocking on her backdoor. Hot!

By all accounts, Tori fans would be crazy not to include this winner in their private collections!

★★★★★

EXTRAS: Although there is a nicely stocked photo gallery facility and funny behind the scenes banter to arouse your interests, the extras are quite limited. The cum shot recap option is worthy of a peek, as is the trailer for Tori Black is Pretty Filthy, although we think you may have already received that "Tori is Hot" memo!

FEATURE

It wasn't long ago when nearly every new girl in the business was barely legal and teens weren't just the rage—they completely dominated the market. Then, suddenly, something happened: More mature women started gaining popularity. They looked great, they knew what they were doing, and they were a refreshing change from the hairless wonders who were everywhere for more than a decade.

While it gave plenty of long-established stars like Francesca Lê, Lisa Ann and Nina Hartley the opportunity to extend their careers, the movement has also allowed women who may have never thought of entering the business when they were 18 or 19 to get started in the industry. And, so, the MILF era was born.

This month, we pick a few of the hot stars that have come into the business not as college-aged girls, but as women who have been around the block—for a few years. They bring a whole new element to the adult industry—a new look, a new way of fucking, and some new faces that wouldn't have been given a chance ten years ago.

All hail the MILF!

MILF EDITION

By Acme Andersson

AHRYAN ASTYN

Ahryan is so beautiful and her body so perfect that it's hard to believe that she's up there in the MILF category, but it's true. Born in Anaheim and now residing in Porn Valley, she measures up well: At 5'5, she carries a 34D-26-32 figure, which is just perfect for gripping one's hands around her waist and throwing it to her in every which way. While we won't all have that opportunity, anyone can enjoy her in such classics as *Keepin' It Fresh 2*, *MILF Collector 2*, *Double D Housewives 2* and several other—many of which do not have the number 2 attached to them.

26328

ALEXIS GOLDEN

Smart and pretty? It happens. Alexis is the former COO of an international firm who became annoyed with all the bullshit that is corporate America. She retired, moved with her husband to an island and discovered she needed a little more stimulation.

"I am a real-life cougar," the 39-year-old newbie says. "I absolutely love sex and am in a constant search for satisfaction as well as satisfying others."

She has satisfied many in her first few titles, which include: *Big Titty MILFs 10*, *Cheating Wives Tales 14* and *MILF Collector 2*.

"Exploring my sexuality in front of the camera makes it all that much more enjoyable for me," she says. "The idea of people watching me fuck and getting off on it is so filthy—and I love that!"

**"I ABSOLUTELY LOVE SEX AND
AM IN A CONSTANT SEARCH
FOR SATISFACTION AS WELL AS
SATISFYING OTHERS."**

DIAMOND FOXXX

While Diamond dabbled here and there with one-off pornos in the past few years, it wasn't until 2009 that she decided it was time to get into the adult industry full-time—and she's not fucking around—at least in the non-sexual use of the term.

She appeared in a couple dozen scenes in 2009, started her own production company, and even opened a studio for herself and other producers to shoot in.

At 37, Diamond is in fantastic shape and despite weighing only 90 pounds; the five-foot-tall beauty sports DDD titties. Yes, guys, she's feature dancing now, too. Get your dollars ready! Check her out in *Cheating Wives Tales 14*, *MILF Soup 7 & 8* and *Big Titty Workout 2*.

FELONY FOREPLAY

Felony is a welcome addition to Porn Valley's lineup, bringing stunning brunette looks and a sexual appetite that rivals her MILF competition. Her numbers are equally impressive: 32E-26-34, and the combination of her Finnish and Native American blood blend for strikingly good looks.

For piercing fans, the Spokane native has three to focus on: her tongue, clit and navel. As far as the rest of us, we have plenty else to focus on. Check out *Ms. Foreplay* in *M Is for MILF*, *Brand New Faces 15* and *I Scored a Soccer Mom*.

Best New Starlet: MILF EDITION

HUNTER BRYCE

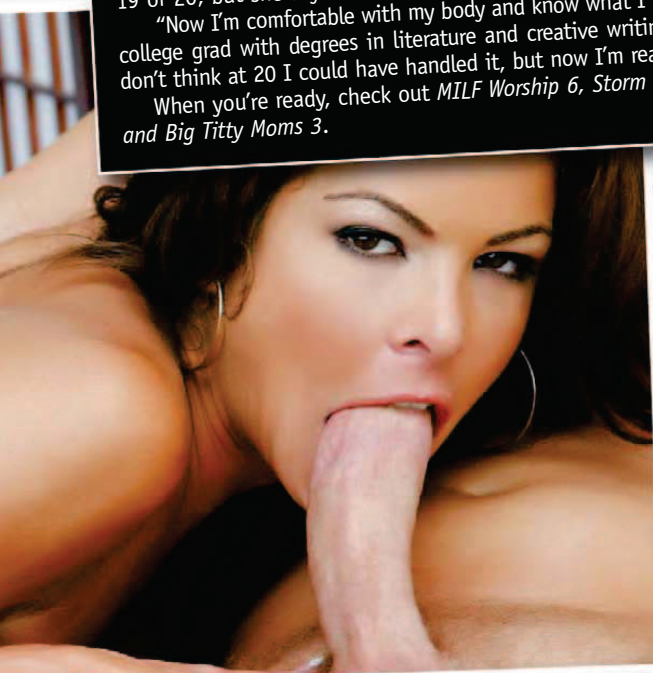

This husky-voiced honey from Pittsburgh is as known for her good looks as she is for her ability to squirt—which explains why most of the titles she appears in are either MILF- or squirt-themed.

"It started by accident, and as time went on it started happening more," she says. "The more time went on, the more I learned how to control it, even though sometimes I still can't stop it!"

She realizes that she is unusual by not entering the business at 19 or 20, but she says that's a good thing.

"Now I'm comfortable with my body and know what I want," the college grad with degrees in literature and creative writing says. "I don't think at 20 I could have handled it, but now I'm ready!"

When you're ready, check out *MILF Worship 6*, *Storm Squirters 7* and *Big Titty Moms 3*.

26331

JANET MASON

For years, this 40-something redhead has built her reputation with her site (janet-exposed.com) along with a very strong fan base. Occasionally, Janet put out releases under her own label, and in 2009 she decided to make the move to Los Angeles and go for it.

Bringing along her husband/cameraman, she is constantly shooting scenes both for her web site and for other production companies. Her specialties include taking on some of the industry's most massive dicks—she is an unrepentant size queen—and she also has a seemingly unquenchable desire for jizz.

"I just feel like I'm ready to push myself to the absolute limit and see how far I can take this," she told CI. "I'm having a blast so far!"

Check out *Dirty Rotten Mother Fuckers 3*, *MILF Worship 7* and *Pole Position 9*.

26332

JORDAN KINGSLEY

Here is a girl that not just any man can handle. First of all, she's taller than most of us at 5' 11," and those 36D bazoorkas can cause some damage if not handled correctly. She also brings something to the table that the industry has seen little of in years: Muff! She is gorgeous, frequently on feature dancing tours, and, man, can she pull off a hot scene!

She first did scenes in 2008, and then in 2009, Jordan started getting really dirty. They say a woman hits her sexual prime in her 30s, and this sexy lady is right in the center of that horny hurricane. Check out some of her work in *Friends: A XXX Parody*, *MILF Worship 6* and *Super Whores 12*.

26333

KITTY WILDWOOD

Who does Kitty think she is? She looks years below her age and body-wise, she can stand up next to her younger counterparts any day. Kitty sports the girl-next-door good looks and a natural figure—standing 5'7 with 34B tits—which are miniscule compared to many gals in the adult business. Yet, put her in the vicinity of a hard cock, and Kitty comes alive and we find that her skills are unpredictably impressive.

This woman just loves to fuck, suck and especially take a creamy load on her face. Yes, looks can be deceiving. Now we just hope she keeps on working—we want more Kitty! Me-ow! Find some of her finer outings in *MILF Worship 6*, *Fuckin' Around in South Beach 3* and *Toe Service 2*.

26334

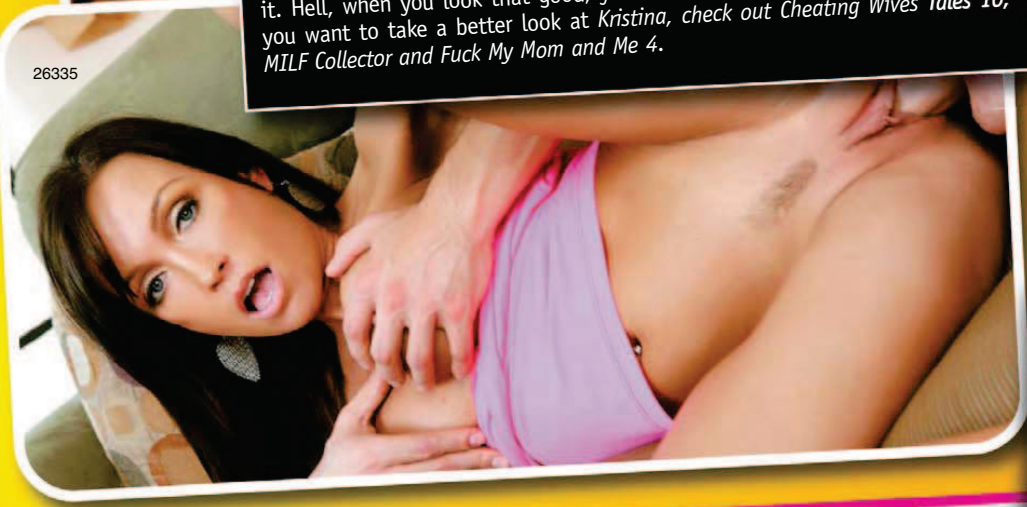

MILF Best New Starlet: EDITION

KRISTINA KROSS

It may not be polite to talk about a woman's age, but we'll give you a big hint by telling you that Kristina was born before the fabled Summer of Love. Leave it to a gal born in the '60s to bring sexual openness to the adult industry in ways it's hard to imagine a 40-plusser doing—especially for the camera. And this woman does it all: Gangbangs, anal, group, creampie—*you name it*. Hell, when you look that good, you can do whatever the hell you want. If you want to take a better look at Kristina, check out *Cheating Wives Tales 10*, *MILF Collector* and *Fuck My Mom and Me 4*.

26335

VANNAH STERLING

Let's get one thing straight: Unlike many of the other MILFs covered here, Vannah is single! Oh, how we love single girls. She's also a college grad, 5'7 with 34F gazongas, a native New Yorker and an insatiable appetite to fuck! If that's not a good enough resume, let's take a look at what she's willing to do: Anal, ATM, creampie, fuck multiple guys at once, DPs, interracial and she squirts! If that's not girlfriend material, we don't know what is. Check out some of her finer moments in *MILF Worship 7*, *I Wanna Cum Inside Your Mom 18 & 19* and *Lisa Ann's Hung XXX*.

HER IDEAL JOB!

"WATCH ME TEST A NEW TOY!"

I really don't like clothes. I know I have a hot body and I like it to be free. Occasionally, I have to put something on if I have to go to the store or something; but since I live in a warm climate, I can get away with the bare minimum.

Not liking clothes limits my career options. Maybe I should become a porn star? Even they have to wear clothes a lot, like when they sign autographs, go to the bank, or meet with a director to

26323

discuss a new part. So, I had to think awhile before I came up with my perfect job...

Testing sex toys! Once I sent my nude pictures to the companies, I got a ton of clients! I have a mountain of review items, toys, lingerie and oils, and all I have to do when I "go to work" is spread my legs and fit the latest vibrator or dildo inside. It's ideal job for me.

Still, it gets lonely working at home, and to correct that and also to earn even

**"I'M A FREELANCE
SEX TOY REVIEWER,
AND I DO ALL MY
WORK AT HOME!"**

**“LITTLE GROUPS OF GUYS WATCH
ME WHILE I CRITIQUE THE LATEST
VIBRATORS, BUT THEY CAN’T TOUCH
ME OR EVEN BEAT OFF. THEY JUST
SIT QUIETLY AND OBSERVE.”**

more money, I give little shows while I'm testing toys. I get five or six guys who come by regularly and pay me \$50 for each show. They sit on little stools and observe. I don't allow them to take out their cocks, much less actually touch or fuck me; they just sit there and watch with their hands folded in their laps, feeling their balls getting hot and filled. When I'm done with my reviewing for the day, I let them give my titties or pretty feet a goodbye kiss, and then I watch them hurry back to their cars to beat off all their accumulated cream!

The moral? In today's work environment, you have to be creative to find the gig that matches your needs. Though it helps to have a hot body, too! ♣

INTERVIEW

JENNY HENDRIX

OPENS WIDE!

One Of Porn's Hottest Backdoor Sex Queens Gets Some Maximum Exposure!

In just over four short years, Jenny Hendrix has proven herself to be one of the XXX world's most in-demand (and horniest) mega-babes. This Italian/ Filipino mix began welcoming cock into her hungry holes on camera at the tender age of 18, and quickly became a favorite among porn fanatics worldwide for her dirty DPs and raunchy ass sex romps. Some of her most notorious all-input raids occurred in such titles as *In Thru The Backdoor 4* (Pure Play Media), *Bum Rushed* (3rd Degree) and *The Jenny Hendrix Anal Experience* (Evil Angel), which earned the starlet a 2009 AVN Award for "Best Threeway Sex Scene." Now, with close to 200 hardcore titles under her belt and plans for a sex-crazed 2010, the pride of New Port Richey, FL is primed to take her place among the true legends of the adult biz...

CI: Your Myspace page says you refuse to give into the "porn star stereotypes." Can you list a couple of things that you think people might be surprised to know about you?

Jenny: I'm smart. I graduated high school. I don't drive a BMW or Mercedes, and I don't waste all my money on handbags. (laughs) What I am trying to say is, just because I love to have sex doesn't mean that I can't also have a brain.

CI: You're definitely one of porn's dirtiest stars. Did you start doing things like anal, DP and ass to mouth in your scenes to set yourself apart from more inhibited stars, or were these all very natural acts for you before you got into porn?

Jenny: All of those are very natural acts for me, and all things I was into from before I got into porn. When I am on camera, I am just really being

"JUST BECAUSE I LOVE TO HAVE SEX DOESN'T MEAN THAT I CAN'T ALSO HAVE A BRAIN."

26167

myself, and I believe that shows in my movies.

CI: As far as DP or ass to mouth go, are these acts that you actually get pleasure from, or are those things that you do just to turn on your partner or the viewer?

Jenny: I love getting double penetrated; it is spine tingling! I totally get off on it and do love doing DPs, especially for Jules Jordan! I do love [knowing] that doing those things turns other people on, but I am also getting plenty of pleasure as well.

CI: How has being an adult actress shaped your views about sex and sexuality as a whole?

Jenny: Well, it's made me feel very empowering to other women and men. I've helped a lot of couples and women enjoy sex...especially anal. I view working in adult as something very pleasuring and fun. Sex is a very healthy part of life.

CI: You've been in no-nonsense hardcore flicks as well as story-driven flicks and sitcom parodies. Do you prefer movies where are given lots of dialogue, or do you prefer the strip and fuck movies?

Jenny: I love dialogue because someone can see me in another light and see that I actually have [a] brain and can be funny. At the same time, I really love strip and fuck because I am a super horny girl and like to get right down to the dirty deed. Both kinds of movies have their good points, and it's good to try different things once in a while.

*"I LOVE
GETTING
DOUBLE
PENETRATED;
IT IS SPINE
TINGLING!"*

CI: In 2009 you won an AVN Award for The Jenny Hendrix Anal Experience, and you have a ton of other nominations. When you shoot a scene that you think is really hot, do you start thinking about possible nominations at the time, or are you surprised by what you get nominated for?

Jenny: I don't think about nominations when I'm doing a scene. I just go to the set and make love to the man or woman that I am doing a scene with, and have tons of fun being sexy and dominant. It's always fun and surprising to be nominated, and it's definitely an honor to be nominated when there are so many talented performers in this business.

CI: If you had to pick one of your scenes to show the world Jenny Hendrix at her very best, which would it be?

Jenny: It would definitely be my DP scene (with

Ian Scott and Steve Holmes) in The Jenny Hendrix Anal Experience.

CI: Please list these qualities in order according to what is most important to you in a male co-star: looks, personal hygiene, ability to stay hard and cum on cue, ability to get you off.

Jenny: First would be his ability to get me off. [laughs] That's very important. Next would be personal hygiene, then ability to stay hard and cum on cue. The last thing would be looks.

CI: Do you still feature dance? How can people find out when you are coming to their town?

Jenny: Yes, I feature dance. People can always find out about me coming to their town by visiting my site, jennyhendrix.com, or on Twitter, Facebook or my Myspace page. You can check in there and find

clubxcell

GET US ON YOUR CELLPHONE AT
CLUBXCELL.COM

out everything you need to know about me.

CI: When fans see you in public, are there any dos or don'ts that they should keep in mind when approaching you?

Jenny: The truth is that I'm just a normal fun-loving girl who is super sweet and down to earth. I love when fans come up and say hi, and I am very approachable. That's another thing that I like about feature dancing; that it gives me the opportunity to meet fans and get to know them.

CI: What upcoming adult projects are you working on presently?

Jenny: I'm starring in Hustler's "90210" parody. I'm playing a lead character, Donna, which is the Tori Spelling character on the show. I am also always shooting dirty scenes for www.jennyhendrix.com. I just love getting naked and having sex on camera, and I keep busy doing that as often as I can.

CI: How about "mainstream" entertainment projects?

Jenny: Last fall I was in a vampire horror movie called, Live Evil. It was directed by Jim Woelfel and I play a party girl.

CI: Do we get to see you naked in the movie?

Jenny: Yes, you most certainly do. [laughs] I had a lot of fun shooting that and I have some plans for more mainstream movie parts, but I can't give too much away right now. You will have to wait and see. ♣

HER NEED FOR POWERFUL DICK!

Tommy was the answer to Amelie's hunger!

Some girls complain that men are too rough, but Amelie was never one of them. She had a knack for picking guys who were too gentle with her; they almost seemed apologetic if they put their cocks in her mouth at all!

With her amazing tits combined with a sweet face, she often appealed to fellows who liked to be mothered, and although she enjoyed the way they hungrily sucked her nipples, things were otherwise lacking for Amelie.

She had reached the age of twenty-two and she hadn't even had her ass fucked!

Then she met Tommy. He was a mechanic where she went to get her car fixed. Amelie finally realized she was fed up with her usual men and was ready to let an earthier dude into her life.

Although she usually waited to have any kind of sex, she surprised herself by taking out Tommy's cock while they were on their second date at a multiplex. The hardness and girth of his meat made her

fingers tingle as she jacked him; and the sensation of his thick cream throbbing out under his coat right there in the theater, excited her so much that she had a no-hands orgasm in her pants.

It was a delight to Amelie that Tommy wasn't at all finished with her that night. He took her back to his apartment and had her suck his dick to a second squirt. He then fucked her pussy for two more cum sessions—and for his fifth load—her ass.

Now Tommy moved in with her and Amelie has fulfilled every last dream she had of a powerful dick: A cock that won't hesitate to paint her face and plunder her plush bottom! ♣️

BREE'S COLLEGE DAZE 3

Immediately ensconced in a sea of bending and twisting bodies, I arrive on the set of Bree's College Daze 3 in perfect timing to find the cast in the middle of an aerobic workout. With colorful G-string leotards, sweaty bodies and perfect nineteen-old-asses spread out before me in suggestive positions—like downward facing dog—I know I'm in for one hell of a day. Actually, this sentiment is ensured the moment Dani Jensen and Bree Olson—the main stars of the show—lock hands and begin thrusting their shiny pussies in my direction. "Come join us, Emma," Bree teasingly suggests, while biting her pinky finger.

Without hesitation, I dart in to take my spot amongst the air-humping honeys and learn that the movie is about sexually frustrated students at an all girl's college who get shaken to the core when Bree Olson decides to enroll for the summer.

In a nutshell, this flick is chock-full of pleated skirts, horny pussies and plenty of kinky coed sex to go around! Sounds good, right? Well, just wait—it's about to get a whole lot better.

So here I am in mid-hump, about to go in to exercise my hands with some of Bree's plump titty meat, when director Andre Madness strolls onto the set and parks me in a chair right next to him. "Okay girls, I want exaggerated movements. Thrust those bodies! Buck those hips! Action!"

Madness calls out for what ends up being over forty minutes of erotic aerobic

action led by the perky personality of pretty, Nicole Ray. "Go for the gold, girls. You can do it!" she gleefully cheers.

With a room that is well over ninety degrees, the other girls begin to wither and fade while Nicole is only on the brink of gaining her stride. "Andre, is it time for me to fuck yet?" she finally asks in anticipation for the cock that's waiting for her around the corner. With a sharp nod from the director, the workout room is dismissed, and Nicole is led to a cool, white bed where Mr. Pete is waiting with his hard prick in hand.

In an instant, Nicole sheds her awkward manner and morphs into this sexual dynamo by leaping across the air like a flying squirrel to land square on Pete's lap in cowgirl. He's stunned at first; but that emotion quickly gives way to groin-on-groin grinding that leaves Nicole with plenty of pulp piling up around her pussy. "Churn those hips, baby," Pete chugs while sinking his paws into the soft flesh of her butt to work her over his cock just right. After a few minutes of serious gash

26229

**“SHE SPINS HERSELF AROUND

grinding and wild hair swaying, Pete pushes Nicole off of his lap and rises to his feet. “Fuck!” he screams while walking around in a circle. I guess Nicole’s steamy pussy is good enough to bring the most seasoned performers to the edge!

When he calms back down, it isn’t long before Nicole is hip grinding on him once again. While still in the hot seat, she decides to turn things around in a reverse cowgirl spread that gives the camera a perfect shot of her sexy little body. “Come on and fucking give it to me!” she continues to scream, as Pete’s eyes roll back into his head and his balls continue to squish up into her fuzzy pube patch.

With enough damage done on her own, Pete curls her over into spoon position and lays into her in a way that makes her look like a fragile porcelain doll. He pulls her legs apart like a wishbone and hammers his stubborn nail into her hole. “Holy shit! Fuck you!” she eventually screams when she’s overcome with orgasmic fervor from head to toe. It doesn’t take long before Pete is saying and spraying those same sentiments exactly when their scene comes to a gushing close. “Hell yes! Now that’s the type of sex I like!” Madness applauds.

As the story continues to unfold, Bree begins telling the girls all about the incredible study session she had with J. Franco the night before. “We did some basic math problems and had a little French lesson,” she coyly says while the girls hang on to her every word. This soon transitions into the actual sex act between Bree and Franco being played out for all of us horny onlookers to salivate over.

With sexy strip dancing and a bed piled high with papers and books, Franco has no choice but to fall for Bree’s overt-

ly sexual advances. “Why don’t you come on over and suck my cock?” Franco motions to Bree, as she seductively crawls over on her hands and knees to rest his pecker in her mouth. She curls her pink tongue around his shaft and looks up at him with her chocolate brown eyes until warm pools of spit come trailing from the corners of her lips. From here, she slowly inches his cock into the back of her throat, creating an audible clicking sound that makes his meat disappear! “Fuck, that’s hot!” Madness whispers under his breath, just as my gum falls out of my mouth and lands square on my notebook, taking my professionalism down with it!

After the scads of hot oral skills that Bree is famous for, she spins herself around in a low-lying doggie squat and backs her bubble butt onto Franco’s beef stick. He pulls her off shortly to get an unobstructed view of her award-winning holes before ramming her pussy. “Make me scream!” Bree pleads, as her chest reddens and her clit chubs up to the size of a ripened plum.

Although Franco seems to be giving Bree all that he’s got, it seems as though this sex kitten can take a whole lot more. When his rear end banging fails to fill her up the right way, she takes it upon herself to force the issue by barreling her backside into him. With white clinched knuckles that match the cotton sheets, Bree gives Franco her all.

At times, you can almost hear the sound of his toenails stabbing into the wooden floor in a desperate attempt at staying upright. “Come on—

**“NO MORE FINGERS!

MOUNTING HER STEAD LIKE A
BRONCO BULL.”**

more! Come on—more!” Bree continues; as Franco’s sweat begins to pool in the flawless arch of Bree’s lower back.

The next day begins with Gracie Glam going out on a limb to take Rocco Reed for the ride of his life. With plenty of wet tongue kissing, the cool California breeze and the clear blue sky offer a picture perfect backdrop as Gracie gets to work on Rocco’s rod by lapping up the sides of his cock like an ice cream cone.

“Get down in there and suck on my balls,” Rocco requests while holding her silky brown hair in place. She’s more than happy to follow his instructions by tilting her head down and shoving his nads inside of her mouth one by one. With her tongue juggling his balls below, and her hands stroking his growing shaft up above, Rocco reaches around this multitasking maiden to begin fondling her round rump with a flurry of fingers. “Fuck, this shit is tight!” he compliments, as she continues to butter him up.

“No more fingers, I want the real thing!” Gracie eventually mouths while mounting her stead like a bronco bull. As she works up her stride, it becomes very evident that this may not be the first rodeo that Gracie has even ridden in. In fact, she’s got Rocco squealing like a piggy after only a few moments of her bucking hips. Those squeals turn increasingly primal once Gracie rolls over backwards to continue fucking Rocco in this incredible crablike position that make her look more like a Gumby doll than an actual girl. “Damn, can you do that?” Madness asks me under his breath. “Hummina hummina hum...” comes out of my mouth, revealing my obvious answer—no freaking way! From here, the duo transitions into an incredible doggie display, followed by spoon before his salty jizz is strewn

about in every direction. Hot!

Thanks to Bree's influence, the ending scene has Dani Jensen transformed from the awkward wallflower she was at the inception of the story, to the sexually confident new woman she becomes throughout the rest of the film. For her scene, she is joined by Chris Johnson and is ready to roll—even before "action" is called to her scene.

She begins by sitting on a leather sofa and nudging her face forward to get a mouthful of Chris's ready-made cock. With her legs spread wide to expose a freshly shaven snatch, and the view of her precious bee-stung tit-ties, Dani goes wild—lapping and sucking on every contour of Chris's prick. "Damn girl, you're a good little cock sucker!" he praises, while balling up a pile of her flowing red hair into his palms. She smiles and continues working the tip of her tongue into his dick hole. "How about you shut up and let me blow you," she teases.

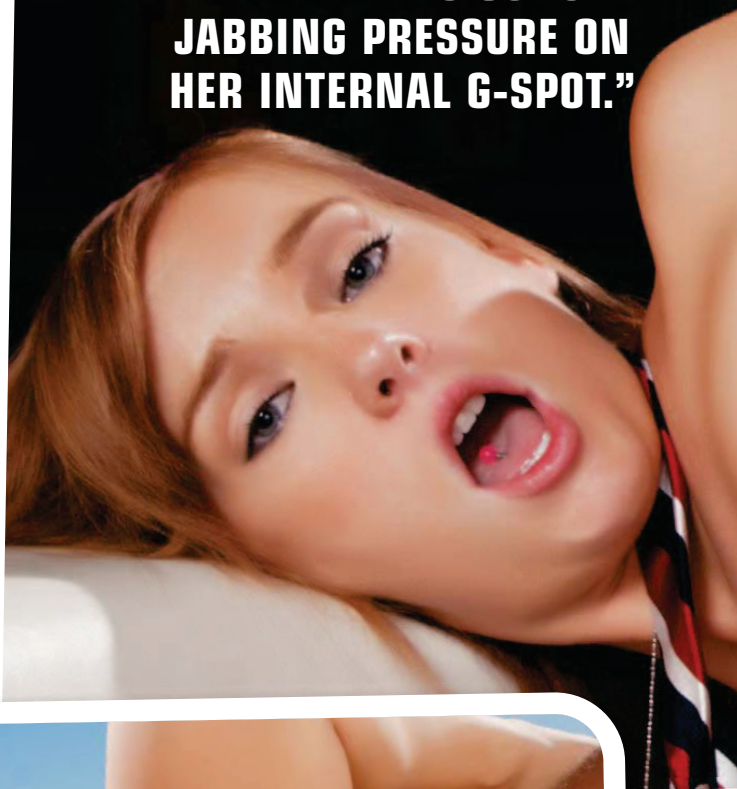

When she finishes with that particular bout of dick sucking, Chris folds Dani in half and tears into her from behind. Eventually, she has to lower her socks from her knees as she goes sliding across the slick white leather. At this point, his thrusts become more focused and powerful. Once she's hunkered down and cemented in place, the action raises up a few notches with Dani blaring out, "Oh my fucking god! You're gonna split me in two!"

Instead of easing up, Chris takes this as a great opportunity to make her gush like a geyser by maintaining constant jabbing pressure on her internal G-spot. Sure enough, their crotches get creamed as her sap begins to seep and his juices begin to flow. It's a great ending by all accounts, and a successful transformation into womanhood on her part!

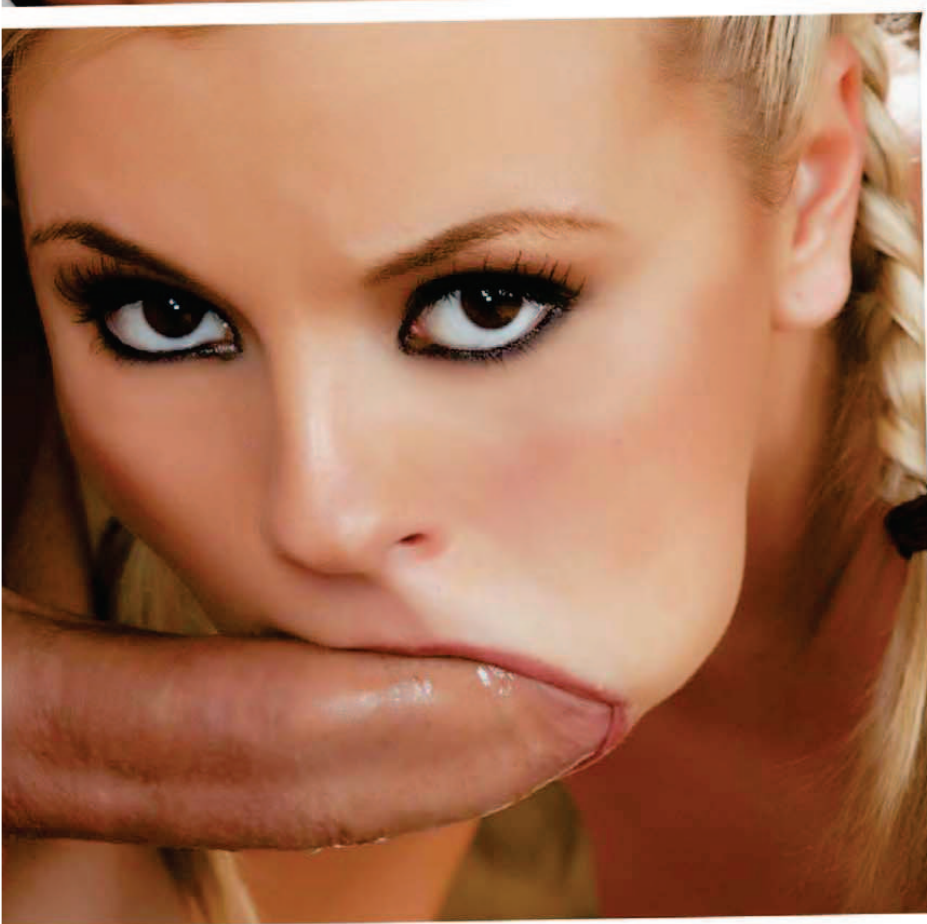

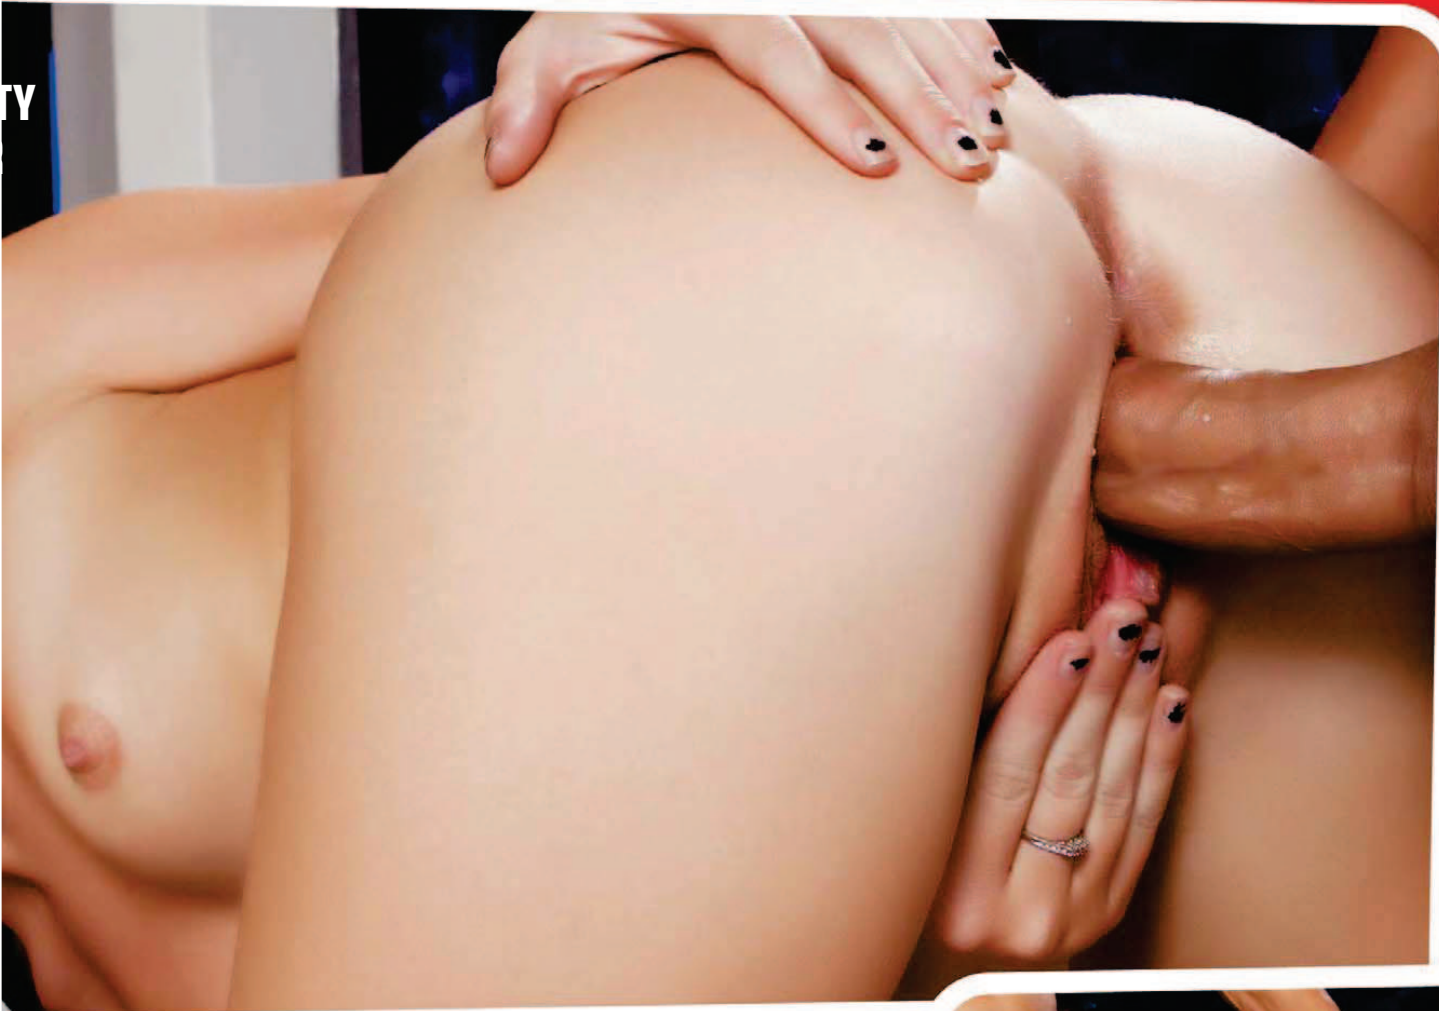

Although I have chills from head to toe—not to mention illegible notes—I leave the set a very happy camper, despite the fact that I won't be able to watch Bree earn extra credit when she gives it up to Randy Spears—her naughty professor.

So, with scads of gorgeous schoolgirls to choose from, and plenty of kinky coed sex to go around, Andre Madness's latest creation for Adam & Eve Pictures certainly makes the grade. All that is left for you to do is put on your backpacks and sharpen your pencils. The bell has rung, and Bree's College Daze 3 is now in session! ♣

"INSTEAD OF EASING UP, CHRIS TAKES THIS AS A GREAT OPPORTUNITY TO MAKE HER GUSH LIKE A GEYSER BY MAINTAINING CONSTANT JABBING PRESSURE ON HER INTERNAL G-SPOT."

and slipped just the head of my cock between her lips, teasingly.

"Is this what you were begging me for?"

"Oh yes. Fuck yes, please yes, MOTHER FUCKING YES!"

I held her hip with one hand and slammed my cock into her, pulling a gasp from her as I went straight into jackhammer mode. My hips and balls made a heavy thud-smack sound as I plowed her deeply with each thrust, making her howl as I grunted with the effort to fuck as hard, deep, and fast as she and my cock both needed.

My balls moved into position as I drove forward, one thrust away from oblivion. Suddenly, her cunt was sucking at my cock as she wailed, "I'm cumming!" A surge shot through me from my asshole to the head of my cock as I felt the rush of spunk race along my shaft. Pulse after electric pulse throbbed through my cock and out into her pussy, splashing her cervix.

I came for a long time but she was longer. When I finally came down, I got to just watch and marvel as she twitched on my still hard cock for another minute.

When it was over, I slipped between them to rest with one on each shoulder. I tell ya, if more bookends were like this, I'd get a lot more reading done.

ALL IN THE DETAILS

Do you think those Saturday morning car wash fundraisers—with the young, bikini-clad honeys are just for the enjoyment of men? Well, think again.

For my most recent post-thirty birthday, I gave myself a new Lexus LS. Spare me the comments on mid-life crises—I've heard them all before. I have no intention on heading into geriatrics quietly. On the contrary, I plan to fully indulge every want and whim imaginable along the way. Last Saturday, my want was to get my new 380-hp hunk of therapy gassed, shined, and whipping along the nearest open road since it hasn't broken its cherry at top speed.

When I pulled into the gas station—at the urging of several hyper and jiggy twenty-something girls, my eyes were glued to the curvy brunette waving me onward. I pulled up alongside her, lingering on the breast-level view through my window. Her shirt was already damp, and her pert nipples were just

starting to pucker. I lowered my window to hear her pitch.

"Do you want the full service?"

Boy, did I.

To keep her talking to me, I asked her a couple of questions about what was included. She took my query as hesitation and offered some reassurance that my beautiful car would "be in good hands. In fact, I'll go over your interior myself."

That's exactly what I had in mind.

She guided me to pull into the empty parking spot and I asked her name while sliding behind the wheel.

"Tess," she answered with a slight flirt, "and yours?"

"I'm Gwen, honey. Now you promise to take care of me, right?"

I handed her the keys and she stepped closer and gripped my hand along with the keys.

"There is nothing I'd like more right now," she purred, directing me toward a nearby bench.

"Why don't you sit over there so you can keep a close eye on me?"

Watching Tess soaping up my car armed with a bucket and sponge, made me wetter than the water hose she was steadying between her legs.

Her shirt was now soaked and clung to her. She looked over at me and giggled, then watched me watch her take it off. Tess was wearing a dark blue bikini top, and I caught a glimpse of the thin thong waist of her suit bottom, peeking above her denim shorts.

When Tess worked her magical sponge across my car's hood, her ass must have cast some type of spell on me—I couldn't take my eyes off her curves. When she moved to rub the opposite side and her breasts mashed against the windshield, I knew I had to have her—right now. Tess must have noticed and agreed with my 'come on, let's do this baby' glint, cos' she started hustling to finish up the exterior wash.

"I'm going to go inside now, Gwen," she winked, "while the exterior goes through the auto rinse. Wanna come?"

I was on my feet and next to her in the backseat in a flash. My hand was already feel-

ing her pussy through her shorts before the car had engaged on the pull track. The rinse cycle didn't afford a lot of time, so I aimed to make the best use of what little we had. I grabbed Tess and started kissing her, yanking her tits free of her bikini. My mouth moved down to her nipple, sucking it and pulling her on top of me; my free hand found its way inside her soggy shorts to grab her ass.

I had Tess' sweaty, suntanned thigh wedged between my legs, grinding against the thick denim seam of my crotch. I gripped and pulled her ass cheeks, grinding her clit against the crotch of her jeans. Both of us were on fire; neither of us was getting off this way. Without speaking, we unbuttoned, unzipped, and quickly wiggled our jeans down far enough to expose what mattered.

Tess had a tiny landing strip shaved on her pussy, and I wasted no time going down on her. The tightness of her jeans kept her from spreading her legs open, but she accommodated my tongue with her fingers—splaying her pussy lips open. I cupped my mouth on her swollen clit and wagged my tongue against her bud. She groaned and grinded against my suck; quickening her orgasm. My lips were still enjoying her quiver when she pushed me off her.

"We have to hurry!"

Tess stuck her tongue out, showing me the piercing she was about to tongue me with. She didn't wait for me to spread my clean-shaved clam open—instead, she wedged her tongue between my lips, forging her own path to my climax. I grabbed the back of her head, steadying its up and down movement against my pelvic thrusts. I came in that girl's mouth in record time.

I'll tell you, back seats are made for licking pussy, but the auto rinse at the car wash isn't the best place to prove that. It was while we were recovering from our horny daze and fixing our clothes that we understood just how short the rinse cycle really is.

The applause from the guys on the wipe and dry team was still ringing in my ears as I hit fifth gear on the highway. ♣

CONTROL FREAK

There are benefits to dating a control freak—for one, they're certainly not your typical chick. All females have some kind of genetic coding that makes them bossy—that's a given, but a control freak considers telling her man what to do an extreme sporting event.

Now, I know what you're thinking—a woman would have to be ridiculously hot to put up with an overdose of nagging and interrogations, right? Well, first off, my chick is exactly that—ridiculously hot. But that's not the reason I let her wear the pants in the relationship—well, not the only reason, anyway. The truth is, my girl runs me ragged on a constant basis.

Don't feel so bad for me, though, she also rewards me every now and again with a sexy visit from an equally hot babe. She never tells me their name and she never uses the

over to me and directed her to "Say 'hello' to my boyfriend."

Hottie's idea of a greeting was to bend over and grab at my crotch while shoving her tongue into my mouth. My dick sprung to life, and I could tell Hottie enjoyed getting such a quick rise out of me.

"Hello, boyfriend," she said.

Elle told me to stand up; I did. She told Hottie to unzip me; she did. She told her to stroke my cock and make out with me; believe me—we did.

Her hand was soft as she gripped snugly around my hardness; she was tugging me toward her in an expert fucking rhythm. Elle was standing behind Hottie—and reaching around—lifted her shirt up and ordered me to touch the other girl's incredible breasts.

"My boyfriend likes your tits," Elle whispered in her ear before commanding me to, "Hold it up and give it to me."

Hottie was rubbing her thumb around my dribbling cock head, pumping me with her other hand. I cupped one of her tits so my girlfriend

Elle shoved Hottie's face down, rooting me deep in her throat, "Swallow it! Swallow my boyfriend's cum!"

same girl twice. I don't know where she pulls these chicks from, but I'm not complaining! So, the benefit to dating a control freak may be best summed up by the way my reward went down last weekend.

My girl's name is Elle. Her name says it all—She's tall and slim, with a nice rack and an even nicer ass. Since she didn't tell me the other chick's name, I'll refer to her as 'Hottie'—because she was another slender one, but with more of a jiggle where I like it.

I always feel a little nervous at first when Elle brings girls home to fuck me—worried Elle might get jealous if I'm too into it, or I may get so into it that I pop too early. Anyway, I was sitting on the sofa, flipping through channels when Elle walked in holding Hottie's hand. She led her

could suck on her nipple.

"Your turn," Elle said, meaning I should join her suckling.

At first, my tongue danced around next to Elle's, then greed made me brave and I slid my mouth across to have at her other nipple—unauthorized.

Elle didn't miss the affront and tugged my head by the nape, "Behave!"

Hottie's eyes were becoming narrow with horny excitement. Elle commanded me to, "reach up her skirt and finger her pussy." My hand was in motion before she'd finished the sentence—"but don't stick your fingers inside, just rub along her clit."

Control freak, remember? Still, this was hot!

My girl ordered Hottie to release her grip on me and to bend over the sofa. Elle hoisted her skirt up over her ass—expos-

ing Hottie's clean-shaven snatch, glistening wet.

"Lick her pussy—and do a better job than you do on me."

Okay, that one stung, but still, without hesitation I made like I was wearing scuba gear and dove my face into Hottie's deep hole. Man, she tasted good! She was sticky and sweet as I slathered my tongue in and around her cave as much as I could.

Swallowing in gulps, I savored Hottie's nectar like a fiend—I knew Elle might pull me off her at any moment.

I could feel Hottie starting to tense up and quiver. She gripped the sofa cushion and spread her legs wider. She wanted me to fuck her. She wanted to cum with my cock buried inside her. I was rising up to oblige the girl, but instead, Elle directed me to

sit on the sofa, my pants still dangling at my ankles.

Elle guided Hottie down on her knees, aggressively shoving her face toward me.

"Suck my man's dick!"

She did.

I will say, Elle knows how I like my head, and she wasn't at all shy with instructions. It was hot watching my girlfriend finger-fuck Hottie, telling her to, "Lollipop his head ... Now suck him ... Faster!"

Elle grabbed a fistful of Hottie's hair and guided her head bobs. That pushed me over the edge and I began to nut.

Elle shoved Hottie's face down, rooting me deep in her throat, "Swallow it! Swallow all my boyfriend's hot cum!"

Yes, living with a control freak isn't for every man, but I've come to appreciate the benefits.

CLASS REUNION

The class reunion—that ancient tradition of catching up with old friends, seeing what's become of each other... and fucking the shit out of the snobs who wouldn't have given you the time of day in high school.

"Wow, Michael, you look fuckalicious!"

I shrugged; money and a personal trainer will do a lot for a man's sex appeal. I'd grown used to the admiration of women, but Callie was the source of every hard-on I'd had straight through high school—

imagined during all those stroke sessions a decade earlier.

I took my time as I pushed her little black thong to the side and palmed her fleshy puss—squeezing it—making her arch her back. My cock jumped at the sound she made when my fingers pushed into her, and the way she writhed sent my pulse into overdrive.

My cock throbbed with the thrill of power as I pulled her panties away, not bothering with her skirt. I probed her pussy with two fingers, making

"My cock throbbed with the thrill of power as I pulled her panties away!"

not to mention the one I was sporting now. It was time to cull this one from the fat-assed herd she surrounded herself with and make up for lost time.

I perked a brow—"come to my hotel room and prove it."

Fifteen minutes later, I'd made short work of her blouse as my mouth made its way to the succulent rise of her breast above her bra. As I moved a hand up under her skirt, I smirked to find how sodden her panties were already. She moaned out my name and the sound was every bit as hot as I'd

her buck against my hand like a slut in heat. I could have pounded her right then and there, but I held back, wanting to make her desperate for my cock. All those years of longing were vindicated as I treated her like a horny hand puppet, making her moan with the twitch of my finger.

I curved my digit toward her pubic bone, finding the sweet spot just inside—the one I knew would make her squirt on my palm like an over-ripe peach. With my thumb on her clit, I squeezed and watched with sat-

DIRTY WORDS

isfaction as her knees buckled and her pussy flooded my hand. With a voice choked by desperate need, she told me she was cumming. I smiled as her juices squirted out around my fingers and shot on my hand.

I let her slide down my body as she twitched through her orgasm, slumping to the floor and looking up to me with a worshipful gaze. Putting my hand through the back of her hair, I held her head as I unzipped my pants.

Her lips were flushed and red as I toggled my stiff cock down to her open mouth. I watched my cock sink into her stretched mouth, making her cheeks bulge. Withdrawing almost to the tip, I pushed straight into her mouth down to her throat. My knob hit the back of her mouth with a cock-hardening gag, and I moved my hands to either side of her face. Holding her head steady, I fucked her face, making her saliva run down my shaft and drip from my balls.

I watched as her hand slid under her skirt, followed moments later by the sweet smell of her cunt. The squelching sounds of her own finger-banging got me so hot, I began thrusting harder and faster.

She snorted and swallowed my cock, her eyes rolling up as she worked her pussy into a frothy mess. Seeing her act like a cock-hungry nymph brought me to the edge faster than I would have liked, and it took all my control to savor the victory as I fucked her mouth.

I knew she was coming for a second time when she snorted and her cheeks puffed around the base of my cock. I was pushed over the edge at the recent memory of how tight her pussy clamped onto my fingers. All the tension in the pit of my stomach dropped to my balls and rushed out of my cock in pulsing spurts that flooded her mouth as she gasped and moaned through her orgasm.

When my cock had emptied, I slipped from her mouth, still holding her face. I wanted to see my cum in her mouth. It was a hot sight when she held out her jizz-covered tongue to show me my load before swallowing it down like ice cream.

She snuggled into me, her arms around my waist—

"I always had such a crush on you." I looked at her in surprise and noticed for the first time the necklace she wore with her name on it.... Jennifer. —Michael, Nebraska

BLUE NUDE

Paul's cock twitched as he outlined the model's form on the canvas. He wondered if Picasso always had to fuck his models before he could concentrate on the work.

Krista reclined, naked and relaxed in his studio chair—her head back—one perfect leg propped on the arm of the vintage chair. Her hand rested lightly at the top of her thigh. As his paintbrush followed the lines of her leg up to her body, he focused on her parted lower lips and the distractingly exposed slice of pink.

She sighed, and he realized his hand had been hovering unproductively over the canvas.

He cleared his throat. "Um, why don't you move your hand up some—sort of cover yourself."

She complied, and though her sweet slit was now covered, Paul's attention was no less divided.

"I'll tell you what," he told her. "I want to portray a woman daydreaming about her lover—do that for me, please. Just think about whoever turns you on."

In a few minutes, the color had risen in Krista's cheeks and chest—and the hand resting on her mound gently pressed down.

"That's perfect, Krista. Just like that. Why don't you play with yourself a little so I can really get the look right."

Krista blushed, but dipped a finger into her puss and circled her clit.

Paul continued through the motions of painting while the model worked herself up. When she began to moan softly, he quietly put down his brush and pallet, not bothering to clean the paint from his palms. Slowly, he approached the chair.

"You look like you could use some help with that."

Krista murmured her consent.

Kneeling, Paul placed his paint-covered hands on her knees, turning her toward him so he could clamp his mouth down on her honeyed cunt. Lapping and licking, he sucked her sweet syrup and was rewarded with the nearly instant moaning from his tasty subject.

"Is that better?" he asked teasingly.

"Please don't stop."

He'd played this scene out with at least ten models before, and always relished the time it took while they struggled between modesty and desire. He especially enjoyed pretending to be unaffected, letting them grow desperate before helping them with their overwhelming desire.

He liked to make them beg for it.

Expertly tongue-fucking her,

the pleas for more were getting to him. Paul unzipped his pants and released his swollen staff. She humped his face energetically as he fisted his dick.

Krista was wet beyond belief. Her liquid lust glistened on his face and all around her bald mound. Paul had never seen a woman get so soaked, and he wondered if she were one of those rare, but delightful women who could squirt when they got off.

He intended to find out.

He had a large collection of

porn featuring hot sluts who could be teased into splashing their partners in impressive female ejaculation, but he'd only once slept with one woman who could manage it. It had been the subject of his favorite masturbatory material ever since.

Pulling his mouth from the erotic snack, Paul moved between her legs. Like a heat-guided missile, his rocket needed no assistance finding its wet target.

He leaned over to kiss her, forcing Krista to taste herself on his tongue. She responded by

arching beneath him, rising to meet his harsh thrusts.

Her long legs circled his waist—her ankles hooked over his ass as she urged him deeper. Paul was happy to oblige, pounding her long and hard. She was an eager hussy, tugging at her diamond hard nipples while she rocked against him.

Paul watched the sexy show and wanted more. He ran his hand across her squeezable breasts and one after the other, twisted the puckered nips into two rosy peaks. Krista squealed and caught her

lower lip between her white teeth.

Paul used both hands to explore her stomach, tits, hips and thighs—streaking her pale bisque skin with cerulean paint. Krista's hands also kept busy as she teased herself into a frothing frenzy of passion.

She bucked wildly as he plowed her again and again, but stilled when Paul landed his middle and index fingers on her sensitive clitoris. Continuing to slide in and out, he circled her little bud as he'd watched her do earlier; mimicking the moves he knew must rev her

engine. Her full attention was focused on his fingers, and a serious expression fell on her lovely face.

The pussy-milk spread generously over his shaft and balls encouraging him to believe he could make her spray.

Krista stared at Paul—her eyes glazed and focused as he manipulated her closer and closer to lift off. With a gulp of air, she tossed her head back in the first throws of an intense orgasm.

Nothing was going to stop her now.

Paul pulled out, desperate to view the horny eruption. He jerked his meat furiously with one hand, while the fingers of his other flew back and forth over her love-button.

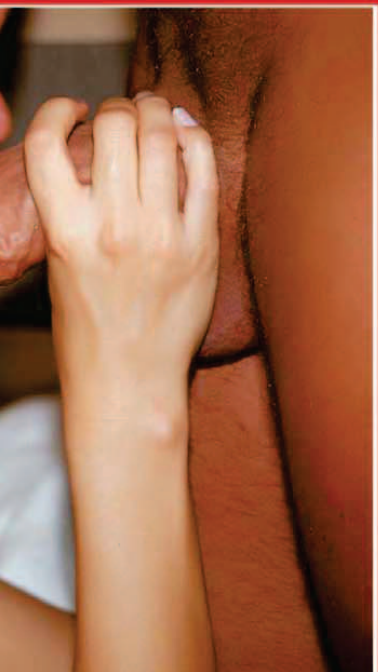

With the first wave, it was everything he'd hoped it would be. Jetting far and strong, she doused him with her juice. Paul stroked himself closer as he savored the shower. Her second round—spurting as far as the first—forced him over the edge.

He nearly buckled under the strength of his ecstasy. Falling forward, he caught himself just in time to release all over her stomach and tits. Propped on one elbow, he could see his splooge dribbling in sticky white strings from his snake-eye to her navel. He was surprised by how long the shots kept coming, but was not disappointed. Even when his own tide died out, Krista was still going, washing his thighs with her wet warmth.

Flushed, and covered in an erotic concoction of paint and sex, Paul found the experience both exhausting and inspiring. Over the next few months, he enjoyed the best sex of his life sitting in Krista's splash zone regularly.

His paintings became his most acclaimed works. They each portrayed a tasteful nude who somehow radiated raw sensuality, though she was modestly draped...and streaked with blue marks.

"He could see his splooge dribbling in sticky white strings from his snake-eye to her navel!"

BACKLOT

I closed the jail cell behind her as she stepped in to look around. "Put your back to the bars and bend forward, it's time for a cavity check." She looked up to me, considering it, then slowly turned, raising her skirt over her round hips, and bent at the waist. Her fingers hooked in the small triangle of her panties and slid them down her long, luscious thighs.

I wouldn't trade my job for the world. Meeting stars during the day, fucking hot-ties on the film sets at night. I'm a studio lot tour guide. Women who would normally take a few dates to put out always turned out to be easy marks on the first one when I show them how kinky they can get on an average movie set. This would be just one example of how good girls become whores under the right conditions.

I reached between the bars and squeezed her ass, a plump cheek in each hand. Squeezing and spreading, I spanned my fingers, thumbs slipping, opening her smooth lips. Looking into her darkened fuck hole, I could see her juice shine in the dim light. I hadn't even started on her yet and she was so ready. There's nothing better than a juicy cunt.

I pushed two fingers into her and watched as she backed into it. Her soft ass was pressed against the bars of the cage as my fingers dug into her cunt lips. She moaned as I fingered her and unzipped my pants to free my

stiff cock. With my shaft in hand, I pointed it toward her slick cunt and withdrew my fingers, replacing them with my cock in a single motion.

The cold, hard bars on my hips and thighs were a stimulating contrast to her hot, soft cunt. I gripped the bars and leaned back, thrusting forward with ass clenching jerks. She was bouncing her ass against the bars, keeping time with my fucking. Her rasping pants joined the sounds of my balls slapping her wet puss and it was clear she was going to cum quickly and easily as I treated her like a prison bitch. With a few more thrusts, she was crying out loud as her cunt gripped my cock so tight and her copious cunt juice was squeezed out, squirting and wetting my balls and base.

"You made a mess," I told her, as she trembled with aftershocks. "If you want time off for good behavior, you'd better clean me up."

She smiled back at me from over her shoulder and lowered her ass, making my cock spring up as she drew her puss off it. She turned, sitting on her heels and moved her hand to cup my balls. My cock bobbed in front of her flushed lips and she lapped at my shaft, cleaning her juices from it. Her talented tongue worked over my balls, sucking each into her mouth to clean them thoroughly. She moved up the shaft with slow deliberation, looking up to me with wide eyes as she brought her mouth to the crown and down over it.

I thrust into her face, stretching her lips around my

fat cock. She took all she could while looking up at me. My cock filled her mouth and stabbed at the back of it. She circled the base of my prick with her fingers, pulling it down to point it toward her throat. The next thrust slid deeper, making her gag. Her throat was working at my cock-head, but she didn't draw back—instead she pushed forward, mashing her lips against the base. I tightened my grip on the bars and shoved hard, pumping into her mouth as I used her throat like a pussy.

She came up for air, her hand working my shaft and a strand of pre-cum and spit stretched from my dick to her parted lips. That small thing made my mind explode with the need to cum in her mouth. I reached through the bars and grabbed her head, pulling it

back onto my cock.

I fucked her face hard and fast for all of five strokes before I was cumming. My cock blasted her throat and mouth as she swallowed hard against my head to catch it all. My pulse throbbed in my cock as I emptied my balls on her sweet face.

She kept me in her mouth as I softened, finally letting my dick slip from her lips. Opening her mouth, she showed me the jizz she'd been able to draw from my cock after the first shots went down her throat. I watched as she swallowed every last drop.

Tipping my forehead to rest against the smooth bars, I laughed, "Do I give the best backlot tours, or what?" She looked up to me with a cheeky grin. "I dunno. I'll tell you after Jacob shows me the churchyard set."—Jo, Colorado ♣

WHO'S ON TOP?

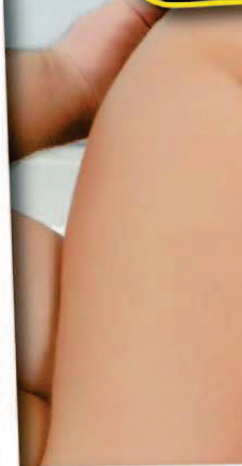

Diana Called The Shots Until She Took One At Face Value.

Diana thought she had the upper hand with Roy—until the morning they spent fucking at the pool. Although he was a good-looking guy, he had a puppy dog-like quality and pretty much did what she asked. If she wanted to go shopping, he took her. If she wanted him to dress a little more hip, he changed his whole wardrobe. Then, one day, she wanted to have sex in the pool at his building. Roy had to bribe the attendant a C-note and get them privacy for an hour.

**“HE LICKED
HER NIPPLES TO
THE INTENSITY
WITH WHICH HE
LAPPED
HER CLIT.”**

Even when they started messing around, Diana was still in charge. She took pleasure in watching him follow her directions—from the speed at which he licked her nipples to the intensity with which he lapped her clit.

She saw his cock bobbing in the water below and she wanted to taste it, but first she put him to work on her asshole—helping him keep to the right rhythm with her crisp instructions.

For Diana, nothing compared to feeling a man's tongue flick back and forth on her bunghole.

Finally, as he grew more impatient, Diana treated Roy to a delicious blow job.

It was only when she started sucking his cock that she realized she made a mistake. She was always under the impression that a woman could be below a man sucking him, but still be "on top" by controlling him "at the root." Yet, when Roy suddenly splattered all over her face—and grinned down at her as he did it—she realized that the tables had been turned.

Letting him see her nose frosted with cum did it. The subtle shift was now in process. Soon, Roy would be calling the shots, because she had been mastered by a facial!

She always felt in charge, whether he was fucking her or licking her. However, her feeling of power disappeared once he rained his seed on her face. To a controlling woman, a facial is a tricky thing!

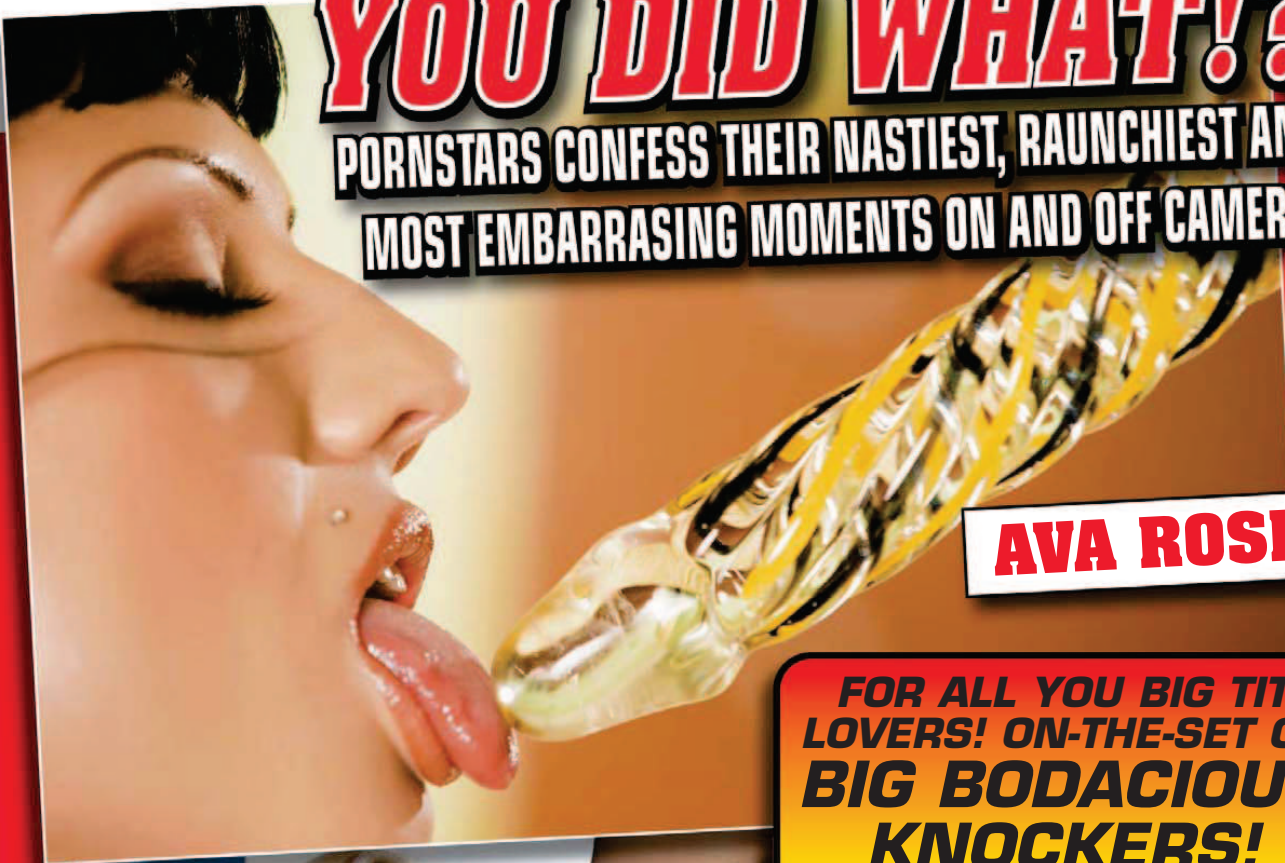

**“SHE ALWAYS FELT
IN CHARGE,
WHETHER HE WAS
FUCKING HER OR
LICKING HER.”**
